WAR
FRC Team 7183

STUDENT NEWSLETTER
OCTOBER 2026

Our first Double Good fundraiser was a huge success, with members networking to adults and reaching a grand total of $7,064, making it one of our most successful fundraisers, with many more to come.

Our Ice Dump Fundraiser was also a success; students at our school got to dump buckets of water on members, which came out to a total of $188.

We also participated in the FRC Fall conference, and our workshop manager even presented.

Additionally, interviews for permanent team placements began on October 22. We have high hopes for our upcoming team members.

Trunk or Treat: Our annual Trunk or Treat was a great success, generating significant funds while keeping students and club members engaged with our activities.
